

**Donate Life Rhode Island High School Poster Contest
School Year 2017-2018**

Dear High School Educator,

We invite you to participate in our 3rd Annual High School Poster Contest!

Your students are at the age when many will be applying for their driver's license or state ID. The contest is intended to help teens learn the facts about donation to help them make their decision when they are asked at the DMV if they want to register to be an organ and tissue donor. Students can learn about donation while showing off their creativity and talent, and they could win one of our prizes!

1st place: Apple iPad Mini 3

2nd place: Samsung Galaxy Tablet

3rd place: \$100 Amazon Gift Card

We are also offering a prize for the teacher who has the highest number of students who submit a poster; you could win a \$100 Amazon gift card for classroom materials!

The contest is a collaborative project with the New England Donor Services (NEDS) and the Rhode Island Organ Donor Awareness Coalition (RIODAC). Together our organizations provide donor awareness and educational programs to communities across the state.

The awards will be presented this spring at the Rhode Island State House.

Additionally, we offer classroom presentations or assemblies. Our presentation includes a 10 minute video, *Your Decision to Donate* which can be viewed online at <http://bit.ly/U0qnRa>. Copies of the DVD, literature and in-house presentations are available at no cost. If you are interested in this opportunity please contact us at volunteerservices@neds.org to schedule a presentation or request materials.

We hope you will consider participating in the Poster Contest and look forward to seeing how creative your students can be!

Thank you,

Donate Life Rhode Island High School Poster Committee
